To celebrate "**International Women's Day-2023**," the IPR Cell, in association with IPR Chair & Diversity & Inclusion Committee (DInC), IIT Roorkee, is organizing a Poster Competition on the theme: "**Women Leading the Way: Innovation, Entrepreneurship And Equality.**"

Women's entrepreneurship has been recognized as a critical, untapped source of economic growth during the last few decades. The growth of women entrepreneurs can be a vehicle for their socio-economic empowerment.

An esteemed jury panel will evaluate the participants' composition, style, and substance relevancy to the insight into the theme. The competition is open to all IITR Students (UG/PG/PhD).
